

Design a bookmark competition

Get creative and craft a bookmark that embodies your wishes and aspirations for the new year.

Use the template above to create your design, then drop it off at any library or email it to library@ccc.govt.nz.

Entries close **Monday 1 July**. Once the finalists are selected, it's then over to the community to vote for the winning design. The winning bookmark will be printed and shared at our libraries. Plus, the winner will receive bookmarks to share with friends and whānau.
