

Cubelets Challenge (30minutes +)

Create **3** different robots using the cubelet robot blocks.

1. Look through the guides provided to choose your three bots
2. Gather the necessary cubelet robot blocks
3. Construct your robots using the correct cubelet robot blocks
4. Activate your robots and show them to one of our friendly staff to receive your stamp!

Not sure, what to choose? Here are three you might like :)

MAKE UP YOUR OWN AND GIVE IT A NAME!!!

For an extra challenge, can you tell us the three categories of cubelets?
