

# Ngā Kete Wananga o Ōtautahi Christchurch City Libraries

## Exhibition Spaces and equipment

This document contains information about:

- **Library spaces available for exhibitions**
- **Equipment available to support exhibitions**

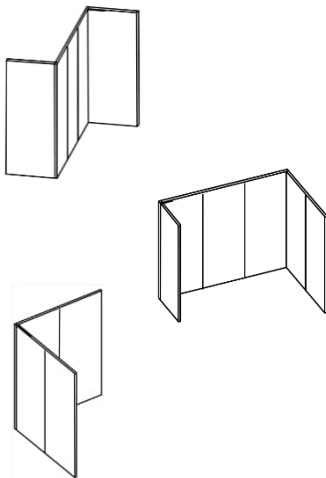

### Te Pito Huarewa Gallery (Tūranga)

Located on Tuakiri | Identity, Level 2, Tūranga, Te Pito Huarewa Gallery hosts a wide range of exhibitions. The gallery schedule has very limited availability and is often booked out 1-2 years ahead. Any exhibition projects accepted for gallery display would involve working closely with the Tūranga Exhibitions Team.

Previous exhibitions can be viewed on [our website](#).

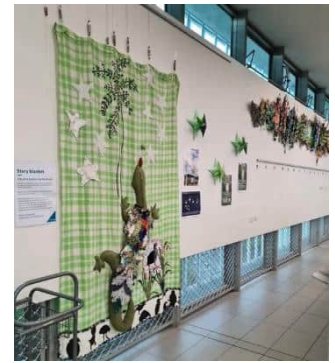

### Portable display walls (Tūranga only)

- Location and configuration of walls by negotiation with Tūranga Exhibitions Team
- Installation of walls by Exhibitions team, install of exhibition in collaboration with Exhibitions team
- Up to 9 panels available, each measuring 1m wide x 2m high
- Various configurations possible
- Hanging system available – preferred method to install exhibits
- If not using hanging system, nailing or screwing into the walls may be possible – by negotiation with the Exhibitions Team.

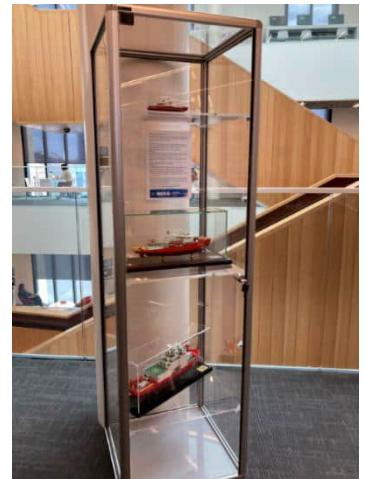

## Exhibition Wall (Upper Riccarton Library)

- Dimensions of the wall: 19.5 metres long
- Central 12 metre section of the wall has a permanent artwork above, with approximately 1.1m hanging wall space below. Either end there is higher section of wall measuring 3.75 metres wide and approximately 2.3metres hanging space.
- Built in hanging system with hooks
- Self-installation preferred

## Perspex Cabinets (Tūranga & Upper Riccarton Library)

- 1 x perspex cabinet available at each library
- Cabinets are lockable
- Cabinets measure 450 x 450mm (shelf size) by approximately 1400mm high
- 4-5 shelves at 250mm increments – removable allowing for higher items
- Not suitable for very heavy items
- Must be cleaned with micro-fibre cloth only to avoid scratches.
- No Velcro dots or sticky-tape on cabinet please.

## Horizontal cabinets (Tūranga only)

- Up to 3 x cabinets available
- Cabinets are lockable
- Cabinet base display space measures 650 x 1300mm
- Height of perspex lid is 200mm
